

This document identifies the portions of the 2009 OIBRS Data Specifications manual that have been revised/updated from the 2008 manual.

- On page 35 removed 2925.37 from the 35A-35B offense code listing.
- Corrected the Note entered on page 23 regarding multiple theft offenses in an incident to reflect the same Note entered on page 131.

The following ORCs in Appendix A have been added or updated either by subsection changes/additions, translation change, or crime type change. The specific update/change is in parenthesis.

2907.08 (subsections)

2923.03 (updated Crime Types)
