

Award Condition:

Determination of suitability required, in advance, for certain individuals who may interact with participating minors.

This condition applies to this award if it is indicated - in the application for the award (as approved by DOJ) (or in the application for any subaward at any tier), the DOJ funding announcement (solicitation), or an associated federal statute - that a purpose of some or all of the activities to be carried out under the award (whether by the recipient or a subrecipient at any tier) is to benefit a set of individuals under 18 years of age.

The recipient, and any subrecipient at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status. The details of this requirement are posted on the OVW web site at <https://www.justice.gov/ovw/award-conditions> (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

THE FULL AWARD CONDITION TEXT IS LOCATED ON THE NEXT PAGE OF THIS DOCUMENT.

In addition to the award condition on protecting minors, the following training programs are available to recipients and subrecipients free of charge through the National Children's Advocacy Center (www.nationalcac.org), funded by the Office of Juvenile Justice and Delinquency Prevention:

1. Preventing Child Sexual Abuse in Youth-Serving Organizations (https://www.nationalcac.org/recorded_trainings/preventing-child-sexual-abuse-in-youth-serving-organizations/).
2. Rethinking Sexual Violence Prevention: Innovations with Bystanders, The Internet & Youth Serving Organizations (https://www.nationalcac.org/recorded_trainings/rethinking-sexual-violence-prevention-innovations-with-bystanders-the-internet-youth-serving-organizations/).

The Office of Community Oriented Policing Services (the "COPS Office") is also currently working with the National Center for Missing and Exploited Children to update a 2013 publication titled *What You Need to Know About Background Screening*, which addresses the importance of background screening and best practices in conducting background screening and acting upon the results. The COPS Office anticipates that the updated publication will be available during FY 2020.

By signing below, the project director, implementing agency authorized official and subgrantee authorized official acknowledge that they have read and understand the special condition requirements.

Award Condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors

1. Advance determination regarding suitability. The recipient (and any subrecipient at any tier) may not permit any covered individual to interact with any participating minor in the course of activities under the award, unless the recipient or subrecipient first has made a written determination of the suitability of that individual to interact with participating minors, based on current and appropriate information as described in paragraph 3.E., and taking into account the factors and considerations described in paragraph 4.

2. Updates and reexaminations

A. The recipient (or subrecipient) must, at least every five years, update the searches described in paragraph 3.E.1. and 2., reexamine the covered individual's suitability determination in light of those search results, and, if appropriate, modify or withdraw that determination.

B. The recipient also must reexamine a covered individual's suitability determination upon learning of information that reasonably may suggest unsuitability and, if appropriate, modify or withdraw that determination.

3. Definitions

A. "Covered individual" means any individual (other than a participating minor, as defined in this condition, or a client of the recipient (or subrecipient)) who is expected, or reasonably likely, to interact with any participating minor (other than the individual's own minor children). A covered individual need not have any particular employment status or legal relationship with the recipient (or subrecipient). Such an individual might be an employee of a recipient (or subrecipient), but also might be (for example) a consultant, contractor, employee of a contractor, trainee, volunteer, or teacher.

B. "Participating minor." All individuals under 18 years of age within the set of individuals described in the scope section of this condition as it appears on the award document are participating minors.

C. "Interaction" includes physical contact, oral and written communication, and the transmission of images and sound, and may be in person or by electronic (or similar) means. But "interaction" does not include--

(1) brief contact that is both unexpected by the recipient (or subrecipient) and unintentional on the part of the covered individual -- such as might occur when a postal carrier delivers mail to an administrative office.

(2) personally-accompanied contact -- that is, infrequent or occasional contact (for example, by someone who comes to make a presentation) in the presence of an accompanying adult, pursuant to written policies and procedures of the recipient (or subrecipient) that are designed to ensure that -- throughout the contact -- an appropriate adult who has been determined to be suitable pursuant to this condition will closely and personally accompany, and remain continuously within view and earshot of, the covered individual.

D. "Activities under the award." Whether paid for with federal funds from the award, "matching" funds included in the OJP-approved budget for the award, or "program income" for the award as defined by the (DOJ) Part 200 Uniform Requirements), activities under the award include both --

(1) activities carried out under the award by the recipient (or subrecipient); and

(2) actions taken by an entity or individual pursuant to a procurement contract under the award or to a procurement contract under a subaward at any tier.

E. "Current and appropriate information"

In addition to information resulting from checks or screening required by applicable federal, state, tribal, or local law, and/or by the recipient's (or subrecipient's) written policies and procedures, current and appropriate information includes the results of all required searches listed below, each of which must be completed no earlier than six months before the determination regarding suitability.

(1) Public sex offender and child abuse websites/registries

A search (by current name, and, if applicable, by previous name(s) or aliases), of the pertinent and reasonably-accessible federal, state, and (if applicable) local and tribal sex offender and child abuse websites/public registries, including--

(a) the Dru Sjodin National Sex Offender Public Website (www.nsopw.gov);

(b) the website/public registry for each state (and/or tribe, if applicable) in which the individual lives, works, or goes to school, or has lived, worked, or gone to school at any time during the past five years; and

(c) the website/public registry for each state (and/or tribe, if applicable) in which the individual is expected to, or reasonably likely to, interact with a participating minor in the course of activities under the award.

(2) Criminal history registries and similar repositories of criminal history records

For each individual at least 18 years of age who is a covered individual under this FY 2019 award, a fingerprint search (or, if the recipient or subrecipient documents that a fingerprint search is not legally available, a name-based search, using current and, if applicable, previous names and aliases) (-- encompassing at least the time period beginning five calendar years preceding the date of the search request -- of pertinent state (and, if applicable, local and tribal) criminal history registries or similar repositories, including--

(a) the criminal history registry for each state in which the individual lives, works, or goes to school, or has lived, worked, or gone to school at any time during the past five years; and

(b) the criminal history registry for each state in which he or she is expected to, or reasonably likely to, interact with a participating minor in the course of activities under the award.

4. Factors and considerations in determinations regarding suitability

In addition to the factors and considerations that must or may be considered under applicable federal, state, tribal, or local law, and under the recipient's (or subrecipient's) written policies and procedures, in making a determination regarding suitability, the recipient (or subrecipient) must consider the current and appropriate information described in paragraph 3.E.

In particular (unless applicable law precludes it), with respect to either an initial determination of suitability or a subsequent reexamination, the recipient (or subrecipient) may not determine that a covered individual is suitable to interact with participating minors in the course of activities under the award if the covered individual--

A. Withholds consent to a criminal history search required by this condition;

B. Knowingly makes (or made) a false statement that affects, or is intended to affect, any search required by this condition;

C. Is listed as a registered sex offender on the Dru Sjodin National Sex Offender Public Website;

D. To the knowledge of the recipient (or subrecipient), has been convicted -- whether as a felony or misdemeanor -- under federal, state, tribal, or local law of any of the

following crimes (or any substantially equivalent criminal offense, regardless of the specific words by which it may be identified in law):

- (1) sexual or physical abuse, neglect, or endangerment of an individual under the age of 18 at the time of the offense;
- (2) rape/sexual assault, including conspiracy to commit rape/sexual assault;
- (3) sexual exploitation, such as through child pornography or sex trafficking;
- (4) kidnapping;
- (5) voyeurism; or

E. Is determined by a federal, state, tribal, or local government agency not to be suitable.

5. Administration; rule of construction

A. The requirements of this condition are among those that must be included in any subaward (at any tier), and must be monitored. They apply as of the date of acceptance of this award, and throughout the remainder of the period of performance.

B. The recipient is to contact the DOJ awarding agency with any questions regarding the requirements of this condition and must not allow a covered individual to interact with a participating minor until such questions are answered.

C. Award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition, provided that such funds would not supplant non-federal funds that would otherwise be available for such costs.

D. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, or any person or other entity, to violate any federal, state, tribal, or local law, including any applicable civil rights or nondiscrimination law.
